All fees must be paid directly to the school by bank transfer and upon invitation from our Admissions Department, Accounting Department, Office of the Bursar or Office of the Registrar only. Mention your name on the bank transfer when making payments. The various fees can be paid also by credit card using PayPal. See our website for PayPal details. Cash payments and checks are not accepted. Program fees are due payable on a quarterly basis always before the start of each new quarter and are based on fixed quarterly amounts. The balance is based on the total credits attended. All other fees are due payable immediately. Refunds for overpayment or other reasons will be processed within 30 days of receipt of full bank account details. Refunds are only made directly to the student regardless of the person who made the original payment. Program fees are equal for all students, regardless of their nationality or place of residence, and include all relevant local VAT or sales tax. Program fees consist of matriculation fees of 25% of the total for matriculation services offered by the school's headquarters in Zurich, Switzerland, and tuition fees of 75% of the total for tuition services offered by the local campuses. Matriculation fees do not apply for students auditing courses only. Company invoices are available upon request. This overview is subject to an annual review.
